Club Auction – Les Osborne

We had hoped to have the online auction catalog published by now but member participation has been limited. The alternate to have the auction is to have it at GULFPEX 2024. Get the catalog online as soon as possible. Felix Perez said it would be no problem to put it on our Facebook page. The material would be displayed on Friday and then the auction would be on held live (at GULFPEX – not online) around 1 pm on Saturday. What needs to be worked out is where on the show floor we can have the auction because the stage does not have handicap access. Details to be worked up by the next meeting.

Training of Officers to be Facebook Administrators – Felix Perez

Felix gave a comprehensive review of what are the duties of website Administrators. He also talked about possibly giving some Club officers access to post on to the Club website. Three officers volunteered to be Facebook Administrators (Les Osborne, Mike Kayes, and Bob Marousky).

Meeting was adjourned at 1:49 pm.
